TO ALL PALLIATIVE CARE PROVIDERS
(For the purpose of this Form, an individual refers to a patient or client)

Your submission of this form will be taken to explicitly mean that you have gained appropriate permission for release of the information contained to the agencies and services to whom you are submitting this. Please also include your Organization’s Release of Information Form, if applicable.

Please complete this form as thoroughly as possible and PRINT clearly. Each referring agency, group or institution should decide which practitioner(s) is most appropriate to complete each section.

Individual’s Last Name: ___________________________ First Name: ___________________________

Goals of Care/ Reason for Referral:

Application Checklist (include if available):
- Care protocols attached e.g. wound care, central line care, drainage care (pleural/ascitic fluid management)
- Communication to the individual’s family physician of referral for palliative care services
- Copy of completed Do Not Resuscitate Confirmation Form
- Diagnostic imaging (X-ray, Ultrasound, CT scan, MRI)  Recent chest x-ray
- Infection control management (e.g. MRSA/VRE/C-DIFF, etc.) As available, reports must be current within the last 2 weeks, at time of referral, and include treatment provided. If referring from acute care facility, this information must be included.
- Recent consultation notes  Recent laboratory results  Pathology reports

Note: Referral Source must be responsible to send referral to all services requested as indicated above; If urgency request is within 1-2 days, a phone contact must be made to the service request.
